Letter of Support – 5th Annual International Modest Fashion Weekend

Dear Ms. Muhammad,

On behalf of Africa Celebrates, I am honored to extend my full support for the **5th Annual International Modest Fashion Weekend**, to be held September 26–27 in Harlem, New York.

As the Founder of Africa Celebrates, an event that brings together African leaders, creatives, and cultural influencers from across the continent, I recognize the profound value of the International Modest Fashion Weekend. Having been an honoree participant in the 3rd Annual edition, I experienced firsthand the professionalism, creativity, and cultural pride that your platform fosters.

This event is not only a celebration of beauty and modest fashion—it is a vital bridge connecting African American designers with the global fashion industry and strengthening the bonds between communities throughout the African diaspora. Its historical significance in Harlem underscores the power of fashion as a unifying cultural force.

We at Africa Celebrates share your vision of collaboration and empowerment. In that spirit, I warmly invite you and your team to join us for this year's Africa Celebrates gathering at the **African Union Headquarters** in Addis Ababa, Ethiopia 4 - 9 November, 2025. Supported by the Ministries of Foreign Affairs and Tourism of the Federal Democratic Republic of Ethiopia, our event will further expand opportunities for designers and cultural leaders to connect on an international scale.

We look forward to witnessing the success of the 5th Annual International Modest Fashion Weekend and to continuing our shared mission of uplifting talent, preserving heritage, and expanding opportunities across the diaspora.

With great respect and anticipation,

Yours sincerely,

Lexy Mojo-Eyes

President/CEO
